## New English 5

The release of English 5 marks the completion of the new General English Series. All books from English 1 Step 1 to English 5 are now available in the inlingua shop.

English 5 takes the learner to the level C2 of the Common European Framework of Reference for Languages (CEF) or US level 4 and 4+ of the Interagency Language Roundtable (ILR).

### Overview

- 130 pages
- 10 units
- 1 Trainer Resource Pack (TRP)
- 1 Audio CD

English 5 focuses on high level communication topics and strategies. It delivers the vocabulary, structures and tools for a distinguished range of conversation. It allows the learners to develop a differentiated set of language and expression skills.
